

Rural Strong: North Carolina

Join us in Spindale @ Isothermal Community College

for a half-day of discussion and resources to take your community or small business forward!

The U.S. Small Business Administration, the U.S. Department of Agriculture, and other partners have teamed up to bring to your doorstep their program and service offerings:

When: Tuesday, July 9, 2019

From: from 8:30 to 11:30 a.m.

At: Applied Sciences/Engineering Tech & Workforce Devt Building (new building) at Isothermal Community College, 286 ICC Loop Rd., Spindale, NC 28160 (map below)

Who should attend: Small business owners, economic development professionals, bankers, and community members/stakeholders.

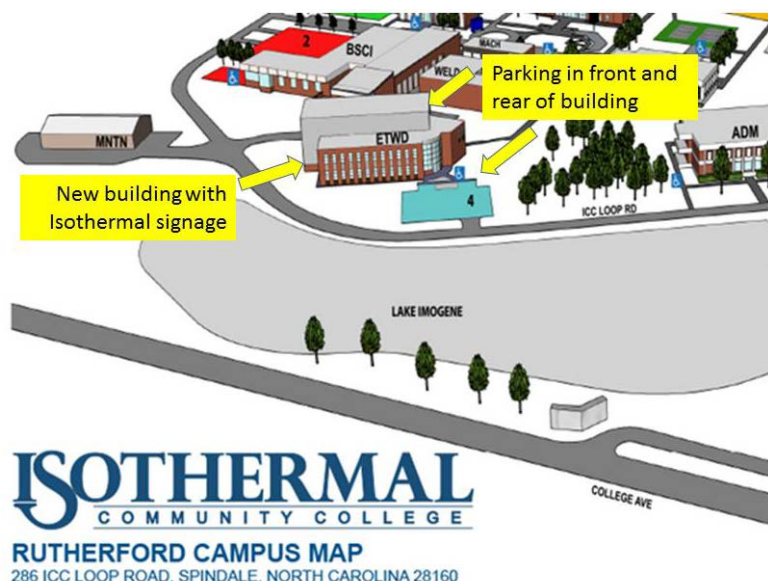

Cost: Free of charge.

Topics include

- SBA's and USDA's "Big Vision" for our communities
- Rural economic development strategies including Opportunity Zones
- Accessing capital for your business through the SBA, USDA, Mountain BizWorks, and Thread Capital

Resource Table Fair

Including the above partners plus Isothermal's Small Business Center and SBA resource partners including the SBTDC and the Women's Business Center, all offering small business assistance – whether in business or just starting!
